OUR HISTORY

From our humble beginning in 1997, with the help of family and friends, Pineywoods Seafood opened its doors. Our first restaurant was about 960 sq. ft. total, including kitchen, 9 tables, and no booths. In May 2000 we moved to our current location, 1003 Hurst Street. Originally, "the Pitt Grill." Pineywoods "for short" has earned its reputation for friendly service, quality, and consistent food.

We do this by using quality ingredients and cook everything fresh per order, we fry in 100% canola oil. We use domestic U.S. Farmed raised Catfish, Gulf Shrimp and Oysters, Wild Alaskan Salmon, Angus Beef which is hand cut, ground, tenderized, and hand patted daily. We have partnered with Sysco and U.S. Food providing us with excellent products such as Land of Lakes, Daisy, Morrison, Sheila Partin, and Captain Joe, just to name a few. We are not fast food, we are good food.

Pineywoods offers on-site cooking and catering. We have a custom cooking trailer to ensure quality and price, while bringing that signature Pineywoods flavor to any occasion, group parties, or special events small or large. Give us a call.

We are grateful you have chosen to dine with us and want you to know it gives us great pleasure to have served you in years past and look forward to many years to come.

Sincerely,

Art Deadley

James Bradley
