

City of Timpson & Timpson Area Chamber of Commerce needs your help!

The new Timpson Disc Golf course has been designed to be a challenging course that we expect to rank high in the Professional Disc Golf Association. This course will be the 9th course that Craig Lewis has designed and built. Timpson Disc Golf is located in SoSo Park. We expect to draw more than 100 players to Timpson during tournaments and have a steady flow of disc golfers, ranging from amateurs to experienced competitors, all year-round. Like with any Chamber or Economic Development Project our goal is to bring people to the area that will not only play a round of disc golf but will shop in our stores and have a meal in our restaurants . The Disc Golf course is designed to bring players from all around and we are excited to be the first one here in Shelby County.

Hopefully, this has sparked your interest enough to ask, how can I make sure the “disc golfers” know about my business? Fortunately, there will be opportunities for business information on signage throughout the course. Players will tee off from 18 different “tees” that have wooden benches and each location will require a sign. The course map and rules will be displayed near the beginning of the course and will also require signage. We invite you to come out and choose your location and let us get your name in front of new customers. Sponsorship opportunities range in price from \$250 up to \$1000 per hole (18).

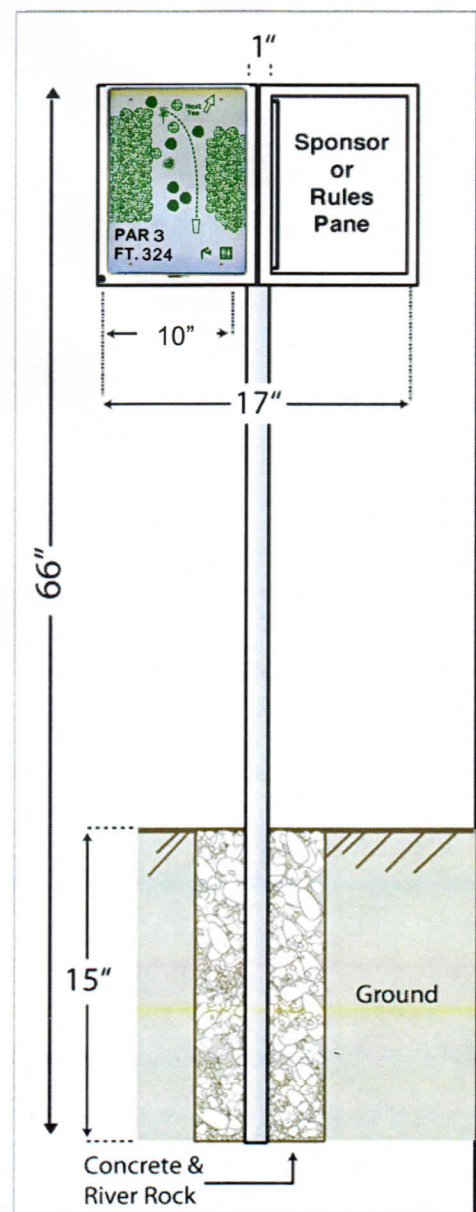

SUCCESS IS WORKING TOGETHER

Your donation is tax deductible and 100% will be used to cover the cost of designing, building and advertising the Timpson Disc Golf course.

FULL HOLE SPONSOR: \$1000
