Future Lady Rams,

As the 2021 school year comes to an end, we would like to invite you to participate in some wonderful opportunities this summer to improve your basketball and softball skills.

In basketball the focus will be on fundamentals and skill development each session. The coaching staff will teach campers the game while focusing on ball handling, shooting form, footwork, 1 vs. 1 moves, moving without the basketball, rebounding and defense. Each participant will need to wear appropriate shoes and attire for basketball.

At the softball clinic all participants will learn fundamentals of softball through hitting, throwing, and fielding. Staff will lead the sessions and each participant will need to bring a glove, and bat.

Join us this summer and take your game to the next level!

Joaquin Girls Coaching Staff
